

PRESS RELEASE | JANUARY 19, 2017

Bureau Veritas acquires SIEMIC, a specialist in electronic equipment in Silicon Valley and Asia

Wendel welcomes the acquisition by Bureau Veritas of SIEMIC, Inc., an American testing and certification body for electrical and electronic equipment active in the Silicon Valley and in Asia.

Established in 2003, SIEMIC provides market access services for electrical and electronic products in the telecoms, consumer, automotive and medical sectors and works with global manufacturers, including many of the world's leading brands. SIEMIC provides a comprehensive range of testing, certification and international approvals management services. Its headquarters and main operation are located in Milpitas,
