

PRESS RELEASE

Madrid, Spain – May 26, 2020

Klépierre Iberia is working hard to ensure the safety of its personnel, customers, suppliers and stakeholders as it restarts its normal, pre-COVID-19 operations. Klépierre Iberia will accomplish this with the support of Bureau Veritas, a world leader in testing, inspection and certification. Bureau Veritas will audit Klépierre Iberia's offices across the Iberian peninsula and ten shopping centers – seven in Spain and three in Portugal – for compliance with its Global Safe Site Excellence certification standard.

Bureau Veritas will audit these Klépierre Iberia sites on the safety of the preventative measures they are taking to protect their personnel, and the management of their cleaning, hygiene and disinfection plans. Bureau Veritas will also assess each of the 12 sites for compliance with applicable regulations. By undergoing this rigorous process, Klépierre Iberia is taking more robust and comprehensive actions than those called for by World Health Organization (WHO) guidelines and the requirements set out by the Spanish and Portuguese governments.

ment to safety and prevention of COVID-19. At the same time, we are positioning ourselves for the restart of business activity by facilitating the access of customers to our shopping centers as much as possible, insofar as is permitted by law. The well-being of the people who visit our shopping centers is our absolute priority. This is why we sought out the support of Bureau

explains **Luis Pires, Managing Director of Klépierre Iberia.**

The Klépierre Iberia shopping centers in Spain that will adapt their protocols to comply with Bureau Veritas' Global Safe Site Excellence certification standard are Príncipe Pío, La Gavia and PR1950059()Taters as
