Wendel's 21st Annual Investor Day

Today, Wendel is hosting its 21st annual Investor Day, which is primarily dedicated to showcasing the Group's unlisted companies. Executive Board will also present an update on the execution of its ongoing 2021-24 roadmap.

The Investor Day is an opportunity for the financial community to interact with senior management of the Group's portfolio companies and to receive a detailed view on their plans for long-term value creation.

Against a still uncertain macroeconomic background, Wendel and its portfolio companies strong balance sheets will allow to continue to make acquisitions under the roadmap while remaining vigilant on prices.
